

3R - Generative Garbage Segregation App

Terms and Conditions

1. Introduction

Welcome to 3R, a generative garbage segregation app designed to promote effective waste management through classification, recycling strategies, and gamification. By using this app, you agree to comply with and be bound by the following terms and conditions.

2. User Responsibilities

- a. Users must provide accurate information during registration and maintain the confidentiality of their login credentials.
- b. Users are responsible for ensuring uploaded images are related to garbage segregation and do not contain inappropriate content.

3. AI Model and Accuracy

- a. The app uses an AI model to classify garbage as biodegradable or non-biodegradable. While efforts have been made to ensure accuracy, results may not always be 100% accurate.
- b. Users should verify the classification results and consult appropriate guidelines if unsure.

4. Gamification and Rewards

- a. Users earn 1 point for each picture analyzed. 100 points equal 100 coins, convertible to 0.10

paisa.

- b. Coins can be withdrawn via PhonePe once a minimum threshold is reached.
- c. The app reserves the right to modify the rewards system at any time.

5. Recycling Depot Information

- a. Information about recycling depots is sourced via AWS APIs. Accuracy and availability of this data depend on third-party services.

6. Data Privacy and Security

- a. User data, including images and location information, is collected for app functionality and rewards processing.
- b. The app implements measures to secure user data but cannot guarantee absolute security.

7. Limitations and Liability

- a. The app is provided "as is" without warranties of any kind, express or implied.
- b. The app is not liable for any direct, indirect, or consequential damages arising from its use.

8. Updates and Modifications

- a. These terms and conditions may be updated periodically. Users will be notified of significant changes via the app.
